**SUBJECT:** Addendum No. 2

**REFERENCE:** Invitation To Bid (ITB) for IAH Terminal C Garage Signage and Wayfinding at George Bush Intercontinental Airport (IAH); Solicitation No. HJA-TCGARWAY-2025-003; Project No. 794G

**To:** All Prospective Bidders:

This Addendum is being issued for the following reasons:

- I. **Extend** bid due date from November 21, 2024, to **December 5, 2024**.
- II. **Respond** to questions.
  - 1. **Question:** When you say "get cover panels" that means someone else supplies them outside our scope? Or are we to do that too?  
  
**Response:** The existing APGS Indect Digital Units are existing to remain, but they will receive new cover panels which is part of the base bid and to be priced alongside all other signage by the bidding entity.
  - 2. **Question:** Essentially bid any sign with those units as a new sign is what you are suggesting?  
  
**Response:** No, new digital signage is suggested in the design scope. The signage mentioned in the question (shown on page 105) are existing to remain with new cover panels only. No existing signage panels are being reused.

When issued, Addendum shall automatically become part of the solicitation documents and shall supersede any previous specification(s) and/or provision(s) in conflict with this Addendum. Addenda will be incorporated into the Contract as applicable. It is the responsibility of the bidder(s) to ensure that it has obtained all such Addenda. By submitting a bid on this project, bidder(s) shall be deemed to have received all Addenda.
