Mayor

HOUSTON AIRPORT SYSTEM

George Bush Intercontinental ~ William P. Hobby ~ Ellington Airport

Mario C. Diaz
Director of Aviation

March 14, 2023

SUBJECT: Addendum No. 1

REFERENCE: Invitation To Bid (ITB) for the William P. Hobby Airport (HOU) Central Concourse Flooring Replacement Phase II; Solicitation No. H06-HOUCCF-2023-018; Project No. 957

To: All Prospective Bidders:

This Addendum is issued for the following reason:

I. To Respond to Questions.

- Question:** We are considering putting in a bid for this one, but one of the factors that we need to consider is the cost of getting the patterns jet cut for around the stage area. To properly price this portion of the project can we get the CAD drawings for the pattern?

Response: The ACAD file will be released to the awarded contractor after an electronic release form is signed. This is the standard protocol. The PDF file should be sufficient for contractors to determine the material takeoff and waste.

When issued, Addendum shall automatically become part of the solicitation documents and shall supersede any previous specification(s) and/or provision(s) in conflict with the Addendum. Addendum will be incorporated into the Agreement as applicable. It is the responsibility of the bidder(s) to ensure that it has obtained all such letter(s). By submitting a bid on this project, bidder(s) shall be deemed to have received all Addendum and to have incorporated them into their bid.

If further clarification is needed regarding this solicitation, please contact Senior Procurement Specialist, David Martinez via email at david.martinez@houston.tx.gov.
