The public hearing was opened and closed by the chair. City representatives and the Applicant, Tony Miranda, representing Miranda Holdings, LLC, presented evidence and made comments. Potential witnesses were not sworn in. A list of witnesses and exhibits received is included in the case file.

Following the presentation of evidence and discussion by the Board, Board Member Seymour made a motion, to approve the request by the applicant to construct a single-family home (duplex) as follows:

### MOTION:

To approve variance HAS 2016-HV15, to allow the construction of a single family home (duplex) not to exceed 40 feet located on HCAD Parcel 085-169-000-0123, Lot 103, Block 6, Shelburne Street, Glen Lee Place Subdivision Section 1, Humble, Texas, 77396, subject to the issuance of a release and avigation easement. Construction shall be allowed in accordance with this variance and compliance with all other city regulations and ordinances.

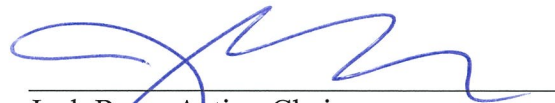

The Board finds that granting the variance is appropriate based on the evidence presented during the hearing, since the site is located within a subdivision platted prior to the effective date of Articles VI and VII of the Code of Ordinances. The Board further finds that granting the variance under these circumstances will result in substantial justice being done, not be contrary to the public interest, and is in accordance with the spirit of the airport hazard ordinance.

The motion was seconded by Board Member Smidt.

A roll call vote was taken by the Board Chair, as recorded below:
