**SUBJECT: BID REJECTION NOTICE**

**RE: Invitation To Bid (ITB): HMH-WCJFKB-2021-015 for the Will Clayton to JFK Flyover Bridge Reconstruction; PN 931**

TO WHOM IT MAY CONCERN:

This correspondence serves as official notice that all bids for the Will Clayton to JFK Flyover Bridge Reconstruction (PN931) have been rejected.

The "Instructions to Bidders," Document 00200, Section 17.0(b), of the solicitation documents states "The City may reject all Bids or may reject any defective Bid." Section 252.043 of the Texas Government Code provides the authority to reject all bids and the authority to direct the City Secretary to return all bid bonds on any project under the following circumstances:

- The department director determined that due to insufficient participation findings by OBO, the City's M/WBE goal for the project or bid should be revised and new bids should be taken.

HAS will re-issue a new solicitation for this project and it will be posted on [www.fly2houston.com](http://www.fly2houston.com) as well as advertised in the Houston Chronicle at a later date.

Thank you for responding to this solicitation and we look forward to your continued interest in doing business with the Houston Airport System. Bid bonds will be returned accordingly.

If you have any questions, please contact Mia Harris, Sr. Procurement Specialist, via email at [Mia.Harris@houstontx.gov](mailto:Mia.Harris@houstontx.gov).
