TOUR DATE: Tuesday, November 9th, 2021

Time	Airport	Meeting Location	Address	Tour
9:30 AM	Bush Intercontinental (IAH)	Skyway Maintenance Storage Facility	3115 South Terminal Rd Houston TX 77032	Locations Provided on day of visit

The following conditions apply to participate on the site visit:

- 3rd Party Safety Brief (performed on the day of the tour), approximately 15 Minutes provided by Bombardier.
- HRA/JSA (performed after Safety Brief), will need to be signed by all participants on the tour, approximately 10 minutes provided by Bombardier.
- Any participant accessing the guideway (Maintenance Yard included) must provide a certificate of completion for the OSHA 1910.30 Walking-Working Surfaces and Personal Protective Equipment (Fall Protection Systems) training before the site visit. Certificates should be submitted with this reservation form via email.
- Fall Protection equipment is required to access the Guideway. You may carry your harness and lanyard or put them in a backpack and carry them with you, it is not necessary to wear the harness during the tour.
- Per the Bombardier Electronics Directive, **No Electronic Devices (including cameras)** are permitted in PPE require areas, this includes the Maintenance Bay Areas, Maintenance Yard, and any portion of the Guideway.

Also, any tour participant must have their own PPE equipment:

- Fall Protection Body Harness with attaching lanyard that meets OSHA 1910.140
 - (No body belts)
 - Harnesses must have proof of current inspection (typically attached to the harness or provided the time of purchase)
- Safety glasses

- Safety toe shoes
- Hard hat/bump cap
- High visibility vest
- Mask that covers nose and mouth must always be worn

To facilitate security clearance, HAS requests interested individuals to pre-register for the site visit. Please complete and email to:

alfredo.oracion@houstontx.gov

- **Attendees must email this form to Alfredo Oracion on or before 2:30 PM, on Friday, November 5th, 2021 to participate in the site visit.**
- To access the guideway during the site visit, attendees must provide OSHA1910.30 Walking-Working Surfaces and Personal Protective Equipment (Fall Protection Systems) certifications with this registration form no later than November 5th, 2021.
- No baggage or luggage storage will be provided. Attendees should only bring what can be carried on your person during the tour.
