SUBJECT: Letter of Clarification No. 4

REFERENCE: Request for Qualification (RFQ) for HJA-TWYefd-2022-011 for the Design-Build-Taxiway L and Runway 4-22 Shoulders Construction at Ellington Airport (EFD)

To: All Prospective Respondents

This Clarification is issued to respond to the following question:

Question: Letter of Clarification #3 had conflicting language regarding Exhibit M – Schedule of DBE Participation. #128. Question: We request RFQ Exhibit M – Attachment A form to be removed from the Step One submittal list due to its impossibility to complete in full during Step One. If RFQ Exhibit M - Attachment A form remains in the required documents to be submitted in Step One, please provide direction on how we are to complete the following fields:

1. Name of DBE Subcontractor – There are only 5 lines. We see a possibility of a total DBE participation of 10 or more DBE firms. How do we add more firms to this document? Would it be acceptable to provide a listing of all our proposed DBE firms on a separate attachment to this Exhibit?

Response: Please use the same form and identify it as Page 1 of 2 or 1 of 3, depending on how many pages you required.

2. Agree Price – There will not be a pricing component during Step One

Response: Pricing is not required when submitting your DBE plan for Step 1.

3. Total \$ - There will not be a pricing component during Step One

Response: Please see response provided in item# 2.

4. DBE Participation Amount - There will not be a pricing component during Step One

Response: Please see response provided in item# 2.

5. Total Bid Amount - There will not be a pricing component during Step One

Response: Please see response provided in item# 2.
