The Houston Airport System reserves the right to refuse to enter into any License Agreement with any party for any reason if it considers the proposed production to not be in the best interests of the Houston Airport System and/or the government of the City of Houston.

Duplicate, signed and dated originals of the License Agreement, reproduced by hard copy or by e-mail, will each be of equal force and effect as the original License Agreement.

The Houston Airport System reserves the right to prohibit access to any portion of airport property at its discretion, and will not grant access to any part of the facility or property which does not meet with the approval of the Houston Police Department, Houston Fire Department, the U.S. Department of Homeland Security and its member agencies, the Federal Aviation Administration (FAA) and any governmental or law enforcement agency with jurisdiction.

An invoice detailing the expenses incurred by the Houston Airport System during the filming and/or videotaping of the production will be issued no later than fifteen (15) days after the conclusion of the production. The payment of those expenses is due no later than fifteen (15) days after the receipt of the invoice.
