SUBJECT: Addendum No. 2

REFERENCE: Invitation To Bid (ITB) for Kenswick Drive Extension; Solicitation No. H73-KENSDE-2025-002; Project No. PN935

To: All Prospective Bidders:

This addendum is being issued for the following reason:

I. Respond to questions.

1. **Question:** What is the estimated cost for this project?

Response: Estimated proposed project cost is \$5M-\$10M.

2. **Question:** Sections 11.2.3 and 11.3.1 of the City of Houston Conditions of the Contract states: Contractor shall furnish to the Director and City Engineer all policies and certified copies of Contractor's actual insurance policies. Please confirm the Contractor would be allowed to redact any privileged/confidential information not related to the project.

Response: The insurance is a requirement for the prime contractor only.

3. **Question:** Document 00410A Bid Form Part A - this document states that bid supplement 00461-Hire Houston First is a required form for bid submission. If a firm does not meet the requirements to be eligible to participate in the Hire Houston First initiative, will they be permitted to not include a completed application with the bid submission?

Response: A firm must be eligible to submit the Hire Houston application with bid submission.

4. **Question:** How can I receive the plans and drawings?

Response: Plans and drawings are available on fly2houston.com under solicitation name.

5. **Question:** Please confirm: Contractor may count 100% of MWBE Supplier participation toward the goal; but contract shall not exceed 50% of the goal.

Response: MWBE suppliers can contribute a maximum of 50% toward the overall goal credit outlined in the participation plan. While the subcontractor will receive 100% of their payment, the prime contractor will only receive 60% of that dollar amount as credit towards the goal.
